	Sports Event (3.2)
Name of the event	<i>Welcome SEA EU's students, La Solidaire de Brest</i>
Organized by:	Brest's sport management bachelor students (UBO)
Contact:	<p>lsdb.seaeu@gmail.com (students team, regarding the program and the organization of the charity race)</p> <p>gwenaelle.goyat@univ-brest.fr (UBO SEA-EU technical manager, for admin aspects)</p>
Faculty/ department:	Sports and Education Sciences Faculty
Date of the event	01/04/2022 - 03/04/2022
Information about the event:	<p>The main event of the week is "La Solidaire", a charity and inclusive run. The participants will represent their university during the race. Our project is to welcome students from SEA EU universities during 3 days. The purpose is to strengthen the links between SEA-EU universities, to allow students to discover another city and culture, how universities work in France and especially at Brest's university. The participants will be welcomed by students from sport management degree. In addition to the participation at La Solidaire, the participants will take part in several activities that you can find in the programme below. There is no academic requirement to participate, and participation of bachelor level students is preferred.</p>
Language requirements:	English
Expected number of participants by university:	<p>We can welcome 2 students, and preferably 1 male and 1 female per university, to be covered by the SEA-EU budget. (3.2, cultural and sports events) Each university to select the students by february 28th and send the names and email adress of the students to lsdb.seaeu@gmail.com. A registration link will be sent to the participants.</p>
Expected profile of participants	<p>We would like to invite to Brest bachelor students who have a strong interest in inclusive sport. We are looking for students who want to know more about sport event management. In addition, the trip could be interesting for students who are studying sport and educational sciences or for students who plan to do an Erasmus in Sports and Education Sciences over the next few years.</p>
