PARTICIPATION CALL for the 2nd SEA-EU Conference

Higher Education in the Service of Society
University of Cadiz, Spain
24th and 25th April 2024

The 2nd International Professional and Scientific *Higher Education in the Service of Society* Conference is an event organized by the European University of the Seas (SEA-EU) Alliance.

The objective of the *Higher Education in the Service of Society* conference is to bring together researchers, policymakers, teachers, students, and practitioners from various aspects of Service Learning with the idea of discussing opportunities and challenges related to Service Learning,

Service Learning will be presented as a philosophy, and relevant methodology for both research & education that can be used in the process of developing a community-engaged universities.

This call is open to all contributors who are interested in the idea of creating an engaged university.

Possible formats for the conference proceedings can be:

- posters in combination with storytelling and
- papers.

All posters should be submitted with the extended abstract.

All submitted abstracts will be evaluated by the Program Committee and all accepted abstracts will be published in the online book of abstracts.

The conference participation is **free of charge.**
