

Towards Sustainable Education: Developing and Managing Micro-Credentials

SEA-EU Staff Week 2025 in Naples

General information

Hosting Institution:	Parthenope
Staff Week Title	Towards Sustainable Education: Developing and Managing Micro-Credentials
Abstract: (few lines describing the staff week that SEA-EU partners can use for dissemination)	<p>The Staff Week aims at sharing experience and best practices about the development of micro-credentials, implementing a strategic dialogue among staff members of partner universities within the Alliance. Participants will engage in interactive workshops, institutional presentations, open discussion areas, and networking opportunities aimed at strengthening inter-university cooperation in this field. Teachers and administrative staff will work together both in terms of innovative pedagogies and administrative hurdles.</p> <p>A highlight of the program is the Sustainability framework for micro-credentials, approached from both the economic and life sciences perspectives.</p>
