

Staff Week - Photo Brest — 26-28 March 2025

General information

Staff Week Title	A fresh look at campus photography
Abstract: (a few lines describing the staff week that SEA-EU partners can use for dissemination)	<p>This staff week is aimed at SEAU-EU staff members who use photography as a tool for communicating about their university/laboratory. It has been designed for non specialists and basic knowledge about photography is enough to participate. The training will focus on 3 main topics (campus, laboratories/science and portrait) and an introduction to the technical aspects (operating a camera and post-production).</p> <p>Practice in small groups, friendly challenges and social events will foster interactions between participants and let you discover the city of Brest and its University. The staff week will be animated by professional photographers and university communication staff.</p> <p>Ah, and, of course we also thought about food !</p>
