

International week - Factsheet

Important note: academic staff interested in this programme have to apply via their home university according to their internal procedure.

Staff applications made directly to the hosting institution will not be considered.

General information

International week Title	Bridging Heritage and Innovation. Global Economic Development and Cross-Cultural Cooperation
Coordinating institution	University of Gdansk (UG)
Study field (ISCED)	Social sciences (Economics, Finance), Business and management
Abstract : <i>(few lines describing the International week that SEA-EU partners can use for dissemination)</i>	<p>International Week in Gdańsk offers economics, finance, and business teachers and researchers a dynamic platform for academic and cultural immersion. Hosted by a leading institution in the vibrant city of Gdańsk, Poland, it blends rigorous professional development with themes of cross-cultural exchange and global cooperation.</p> <p>Teaching Program Workshops and lectures explore international economics, sustainable finance, and business strategies in international markets.</p> <p>Scientific Exchange Panels Interactive panels feature experts discussing development economics, international business, management, and fintech innovations. These are aimed at providing networking opportunities to form research partnerships.</p> <p>Cultural Program Guided tours of the host institution highlight its research facilities and maritime focus. City visits include Gdańsk's historic Old Town and selected museums, which should promote cultural understanding and connect to the main theme of the International Week, which shows how heritage and modern innovation can be blended.</p>
