

## General information

Staff Week Title	GENERATING SPACES FOR CRITICAL SERVICE-LEARNING IN HIGHER EDUCATION
Abstract:	Through this action it is intended to introduce participants to the service-learning methodology approached from a critical perspective. During 4 working days, different methodological options for the development of SL in undergraduate and master's degrees in Education and teacher training (curricular itinerary, cascade model, tutoring of teachers) will be presented and discussed. To this end, presentations, debates and practical work spaces will be combined. In the same way, it is intended to generate a space to weave collaborative networks.
