

Staff Week

General information

Hosting Institution:	UALG
Staff Week Title	Erasmus Staff Week “From the Vision to Practice: Co-Creating Green and Digital Teaching Innovations for Sustainability”
Abstract: (few lines describing the staff week that SEA-EU partners can use for dissemination)	<p>This staff week is specifically aimed to staff (professors and administrates) dedicated to the Task 2.2.</p> <p>This Staff Week builds on the outcomes of the seminar “Empowering Educators for a Sustainable and Digital Future” by shifting the focus from strategic reflection to hands-on implementation and peer learning. It aims to provide a collaborative international space where higher education staff can share, test and co-create innovative teaching practices that integrate digital transformation, sustainability, and transversal competences.</p>
Application details and deadline	<p>Each university must Nominee their selected participants until February 6th at the end of the day.</p> <p>Confirmation acceptance: February 11th at the end of the day.</p> <p>Selected applicants must complete an online registration form who will provide by the IRO from UAlg after the selection.</p>
Dates of the staff week	From March 23th until 27th 2026
Number of participants	Each SEA-EU 2.0 university can propose up to 3 participants.
