

Staff Week-----

General information

Hosting Institution:	UALG
Staff Week Title	Erasmus Staff Week for Librarians
Abstract: (few lines describing the staff week that SEA-EU partners can use for dissemination)	This staff week is specifically aimed at information and documentation professionals (libraries, archives, documentation centres). It aims to be a space for sharing experiences and good practices that allows professionals to learn about other realities, reflect on their reality and find opportunities to improve their services. It will cover topics such as document processing, user service, training, repository management, open access, scientific dissemination, data management, cultural extension, editing, archiving, etc.
Application details and deadline	<p>Please contact International Office at your university and guarantee your Nomination until 2nd of March at the end of the day.</p> <p>Online registration form will send to the selected staffs after the end of deadline for Nominations.</p>
